## 0 - Introduction

## 1 - The Limbo World

Jackson Wakes Up With A Gasp, He Sits Up And Looks Around The Whole World. It Seems Peaceful Around Here... Except... It's A Mistful Place That Is The Colors Of Black And Gray... "W-Why Am I On The Ground...?" He Looks Around Again Before Sighing And Standing Up And Walking Around. As He Was Walking Around. He Couldn't Imagine But Smelled Something Lurking Down In A Cave. It Smells Like Crawling Hair. As He Walked In. He Was Right. It Was Something Unreal. Its Hair Flowing And Crawling. "Why The Hell Am I In This WOR-" He Gasped. Looking Up And Seeing A Mega Eyeball Beneath Him, Looking Straight At Him "You Have Been Fooled." A Voice Muttered At Jackson, Jackson's Eyes Widened. But He Recovered And Got Furious "W-WHAT THE- WHAT DO YOU MEAN I'M FOOLED YOU LITTLE...?!" His Eyes Narrowed And He Picks Up A Rock And Throws It At The Mega Eyeball That Was A Demon. When The Rock Pierced Through The Eye, The Demon Growled At Him And Disappeared In A Gray Like Mistful Cloud, Jackson Went Out And Continued To Explore Limbo, He Doesn't Know What To Expect Here, But He Remembered What Sins And Guilt And Choices That Led Him Here, He Is Feeling Guilty For What He Had Done For His Choices, His Choices Haunt Him, He Finds A Abandoned Cathedral That Is Left To Rot Since Its Days Down In This Somehow Named "Earth" Maybe It Has Been Sent Here By The Angels? Maybe The Souls? Jackson Also Finds Souls In The Cathedral With Their Face With Blank Looks And Sad And Happy Looks, His Eyes Widen When He Finds A Literal Child That's Himself But From Years Ago?!. It Disappears After Jackson Looks At His Face. He Walks Out

Of The Cathedral, Taking A Deep Breath Trying To Even Forget Everything Or Everything From That Daemon And The Place Until– The Second Realm. He Finds A Tunnel Leading To A Low Glowing Hole That Is Slowly Coloring Out A Lighter Blue And Cyan Mixed Together? He Thought About Jumping In But He Would Fear If Something Bad Would happen. He Turned Around And Saw The Same Demon Eye. Looking Like A Bloody Monstrous Creature. He Gaspd, His Eyes Wide, He Steps Back As He Shakes Intense. Until He Fell Back Onto The Hole, Screaming In Terror, His Hand In Front Of His Body, Trying To Reach For The Outside But He Fell, Then Fell Unconscious...

## 2 - The Gray Path

Jackson Wakes Up Again With Another Gasp, He Just Blankly Sits Up And Looks Around Again But. He Feels A Cold Feeling On His Skin. His Eyes Wide As He Looks Around This Place. It Seems To Be... Dead? He Looks At All Of The Bones And They Are... Souls... I Guess?... He Takes A Step Forward, Looking Around, Still Shocked By What He Saw From What He Saw From Above The “Tarnished” Place Of Limbo, It Could Be? We May Not Know. He Doesn't Have The Right Knowledge to EVEN Understand What Happened When He Died From The Earth, As He Continued Walking, He Kept Looking Around, Feeling Anxious Of These... Bones Kept On Moving, The Bones Are In Fact... Alive, They Crawl Everywhere, They Use Their Thumbs To Move Around, “What Even Is This? What Hell Am I Even In? This Is Far Worse Of What I Seen From That “Limbo”. Did God Decided To Send Me To A Far Worse Place?... I Feel Frightened...” He Says That. Even Though He Seems Conscious Of What He Remembered From His Life. From A Child To A Gentlemen. He Walks Around, Still Ignoring The Bones Behind Him, Moving Closer And Closer Towards Him That His Eyes Widen As He Felt His Sanity Draining, He Feels The Hypertelorism Making His Eye Twitch, He Hears Murmurs Coming From The Souls From The Gray Path, This Place Used To Be “Neutrality, balance, and transition” But Now Its A Liminal World Of Just... Skeletons? The Murmurs Get Louder...
